

efex Comms Mobile is a no-brainer for businesses on the go. With four options to pick from you're getting the best choice at the best price, and you can scale as your business changes.

Australia's most trusted mobile network

Running on the Telstra Wholesale Mobile Network, you're assured reliable and fast connectivity with 4G coverage at 98.8% across Australia, and 5G coverage at 75% and growing.

efex Comms Mobile includes...

Data banking. You'll never waste any data. Anything you don't use automatically rolls over to next month, and keeps rolling up to 500GB.

No lock in contracts. All plans are month to month.

No bill shock. If you've used all your data, we'll stop your account so you aren't charged an extra cent. Data top up packs are available if you need more.

Data gifting. Your team can give up to 50% of their monthly data allowance to colleagues in the same plan.

Admin portal. Manage plans & data gifting, check data usage & more.

Add ons. 1Gb data top ups and international travel packs covering 67 destinations are available to purchase.

Local support. Our technical team are just a call or email away.
